Vol. XI San Diego, California ♦ January 14, 1939 No.48

NEW YEAR STARTS WELL

The Program committee is starting things off with a "bang" and after listening to the proposed work that that committee has carved out for itself, we can readily see just why this year should prove to be a banner year for the Club.

Dave Bomberger and his committee consisting of John Aseltine, Joe Beerke, Bill Bonham, Ross Carter, Bill Dehnel, Harry Frame, George Hill, Ray Shearer, Emery Sherwin, Henry Sutter, Junior Todd and Chester Webber expect to make history and the other committees can well look to their laurels when this bunch gets into the swing.

♦ ♦ ♦

The first program will be given over to the Kiwanis Education committee with Arthur Shoven, chair-

man; Harvey Atherton, Rankin Barnes, Sam Frazee, E. G. Merrill Jr. and Charlie Rinehart.

As a special innovataion, the committee members of the Education Committee will please sit at the head table so that all members may get better acquainted with them.

This will be the practice when ever the program is turned over to any committee. Thus every member will be at the head table sometime during the year so that the rest of us can see just how handsome every member of the Club really is.

say but then E. G. will have to learn how to handle the members, for after all, he is supervisor of committees and woe unto him if he fall down.

President Frank certainly started the meeting in good order and with the several changes that were tried, it is certain that they will be under way earlier than heretofore.

The salute to the flag and singing of America was worthy of all praise as it was a really beautiful service and made us all feel that inward tingle of loyalty to flag and country perhaps more than ever before.

The "new" song leader, too put pep into the singing and with the exception to the several scared individuals who were still standing up when the trial song ended, was much enjoyed by all.

There is much to do in the new year and the committees have been carefully selected for the various

jobs in Kiwanis and the rest is up to these committees for after all, the Club is every member and not just the presiding officer and the board of directors.

Let this year be a big "committee" year so that every committee will have a real account to render at the close of the term.

KIWANIS IN PUBLIC LIFE

We have just learned that Charlie Rinehart is at present at Dallas, Texas, attending the National Association of Cleaners and Dyers Convention.

Charlie has been very prominent in this work, having been vice-president for several years.

Tom Russell has been selected as a member of the 1939 Grand Jury and we are sure that a better selection could not have been made as Tom has all the needed requirements for an able grand jurymen.

KIWANIS PUBLICITY

The Publicity committee with LeRoy Carroll as chairman gave the first actual demonstration of the work that they have outlined for themselves during the year by having a Sun photographer take pictures of the immediate past president, Tom Bomar shaking hands with the new president, Frank Lowe and the able vice-president, E. G. Merrill, Jr.

This picture was in the San Diego Sun and we are sure that LeRoy and his committee will make a good "publicity" committee, so watch the papers for further details or news about the Club.

Every committee chairman gave an interesting report of the proposed work of his committee and now if we can just get the committee to make their written reports monthly to the secretary, we will have a great report to send into Kiwanis International about the work that we are doing in San Diego.

Let's all get earnestly busy with this and keep records of the various committee meetings so that a comprehensive report can be made to the membership from time to time as to the work that you are doing.

Please let me hear from you.
Secretary.

PROCEEDURE REGARDING PROPOSALS FOR MEMBERSHIP

The Membership committee with Ed Scott, chairman, is looking for a list of proposals for membership and lest the routine be not fully understood, if you have a prospect, hand the name and address to Ed Scott or to the secretary, but do not tell the proposed member that his name is being proposed. The committee will then make the necessary investigation and classification and will report to the board its findings and recommendations. The board will then be able to act on the name proposed and after having been elected, then the candidate can be invited to join the Club.

This procedure will work all out smoothly so that a proposed candidate will not be disappointed if there can not be found classification open for him.

Please bear this in mind, do not invite the proposed candidate to join until you have complied with the above order and you will be informed when everything has been worked out, at which time he can be introduced into the Club.
