"Entered as second-class matter November 7, 1934, at the post office at San Diego, California, under the Act of March 3, 1879."

Vol. XI San Diego, California ♦ January 21, 1939 No.49

## Attention COMMITTEE CHAIRMEN

This Club is now well on the way to a successful year and with the earnest co-operation of every member and especially the Committee Chairmen, it will be a happy one for all.

In the past, the various committees have functioned to some extent but there is always a willingness to lay down on the job unless someone keeps on prodding from time to time and this year that "prodding" has been handed over to the Vice President and we are sure he will keep at it continuously.

The Committee work is a very essential one in every Club and the success of the Club depends upon the successful working out of the Committees so believe it or not the Committees are going to have to keep up on their toes or else and so what.

The Secretary is obliged to make monthly reports to the International as well as District offices and is supposed to make a complete report of the various committee activities. This has not been possible in the past with the lack of co-operation, so special blanks have been prepared for each chairman of a Committee to fill out the last of each month telling of his Committee's activities and proposals for the future.

These reports should be sent or handed to the secretary so that he has something to tell in his report to International.

Will you please do this little thing in co-operation with the necessary requirements.

## MORE PUBLIC HONORS

We were informed that Charles Rinehart was attending the National Association of Cleaners and Dyers

Convention held at Dallas, Texas.

It has just been announced that he has been elected as president of the Association and we wish to congratulate him.

Charlie proved his ability many years ago and from his early work in Kiwanis, his gradual rise to importance in club, division, district and finally as International Trustee, one can readily see why he has been elevated to the position of President of the National Association of Cleaners and Dyers.

We can assure this Association that they will have the best that he can give them and when his term is over, they will be able to say, "Well done, thou good and faithful servant" for that is just what Charlie does.

Kiwanis is proud of having such men in its ranks.

It is not possible to read a newspaper without finding the name of some Kiwanian in it as having done something for the good of mankind, civic or otherwise. Members can well say "I am proud that I am a Kiwanian."

## A REAL "THANK YOU"

The following letter will express the thanks of the Helping Hand Home for Children, for their Christmas gifts:

Kiwanis Club

San Diego, California

Dear Friends,

How I wish you might see our monkeys on their Jungle Gym! It is amazing how quickly they learn all its intricacies and possibilities—but that is because it furnishes a natural outlet for their natural activities. Our doctors have thoroughly approved it also, as a splendid muscle developer. So again we send you our very deep and sincere appreciation of the many gifts with which your thoughtful planning has benefitted our young patients.

Each child was delighted with his or her gift, even the adolescent skeptics, who doubted receiving what had been asked for. One was so moved as to say at an unguarded moment, "Gee, I got my second

choice too!"

We hope that you enjoyed the party as much as we did. It is always a pleasure to have you with us. Please come again.

With best wishes for this new year, to you individually and as an outstanding progressive and forward-looking group.

I am, very sincerely yours,

MRS. HELEN V. HANSON,

Sup't.

It was nice to have the meeting start promptly last Tuesday, but we are still wondering just how Frank Lowe managed to arrive just in the nick of time so that he would not be late.

Perhaps his plan to have the opening exercises at 12:40 is part of the idea of coming in at the last moment.

Be careful, Frank, you might be called on the carpet.

## CONTINUE THE GOOD WORK

The Program Committee is making history and is certainly starting the year with interesting programs.

First on the list is the outstanding talk given at the last week's meeting by C. Rankin Barnes on Kiwanis Education.

Rankin, having had years of experience in Kiwanis, not only in the rank and file, but as Lieutenant Governor, knows whereof he speaks and can tell it in a way so that the rest of us can profit by his experiences.

Thank you, Rankin, for this excellent talk.

The next week's program will be conducted by some of the Past Presidents of the Club and their experiences and thoughts are always valuable to the future growth of the Club.

We are also to have a little special and perhaps unusual entertainment which will be very enjoyable, as we have been told.
