El Centro Kiwanis Club meets with us next Tuesday

VISITORS TO PUT ON THE PROGRAM

Special features promised

The long looked for Interclub Relations program given by the El Centro Club will be our program next Tuesday and members are urged to be on hand early as there will be other important things to take care of before the program.

We are more than glad to have the El Centro Kiwanians with us as they

are a fine bunch of fellows and always put on fine program as many of us know.

The Interclub Relations, which these meetings foster are worthy of all effort as they certainly enlarge friendships as well as make for new ones and members should take it upon themselves to visit other Clubs in the division or district whenever it is possible. Also while traveling into other districts, attendance at other clubs is to be encouraged to the utmost.

We thus find out what the other fellows problems and joys are and can see beyond our own narrow limits into the realm of our fellowman. We see his trials and tribulations as well as his joys and pleasures and partake of that same fellowship with him.

Circumstantial Evidence

Mrs. X: "Does your husband talk in his sleep?"

Mrs. Y: "No, and it's terribly exasperating. He just grins."

City-County Consolida- tion? (?)

Our last week's program giving us information regarding the proposed County-City Consolidation brought out many things and it is certain that members are in a better position to know what position to take in this all important matter.

Various luncheon and other clubs are taking a decided stand in the matter and from information at hand at this time, other Kiwanis Clubs in the city are also about to take a decided stand. The matter will no doubt be brought to the attention of the members at the next meeting for some more active and aggressive action in consonance with similar action by other clubs in the vicinity.

Our Civic Affairs Committee is actively engaged in the matter and we look to hear from them next Tuesday.

ATTENDANCE

Attendance of the Club membership has been gradually increasing and we have on several occasions had an attendance average of better than 90 percent for the month.

Such was the case for January, but lo and behold, for February, we dropped way back in the 76 percent class which again puts us down somewhat near the bottom of the list.

Attendance is necessary in Kiwanis and the member who simply lets any excuse bob up to keep him from coming to the meeting soon loses the real import of contact with his fellow Kiwanian.

If you do not entirely enjoy the program, you will at least have the pleasure of a table chat with members and that in itself is a privilege that none should overlook.

Your club needs you and you need your club, so be sure to come next Tuesday as we are going to have a fine program.

“A horse can't pull while kicking,

This fact I merely mention.

And he can't kick while pulling

Which is my chief contention.

Let's imitate the good horse

And learn a life that's fitting;

Just pull an honest load and then

There'll be no time for kicking.”

COMMITTEE WORK

Several committees have been very active and will give a good account of themselves and their work in the near future.

The Program Committee has held meetings and a plan mapped out for several months to come for a series of good programs which will be of a high order.

The Underprivileged Child Committee too has been going to the bat and will no doubt hear from them at the next meeting as to their program work and what they are trying to accomplish.

Keep your ears to the ground and your hopes high for things are beginning to "pop" and they will all make some noise as well as get results.
