## FLAG DAY PROGRAM

The program for next Tuesday will be in celebration of the annual Flag Day and will include a 15-minute radio skit which will be released over station KGB, through the courtesy of Sid Fuller.

The play is one written by our own E. G. Merrill jr., and will be in strict keeping with the occasion as it is entitled "Our Flag."

The actors will be from our own membership and with the talent we have it is sure to be interesting.

Judge Clarence Harden has made a special study of the constitution and our flag and will give us a fifteen minute talk on "Our Flag."

Convention (held this year at Boston).

The Kiwanis Night goodfellowship meeting give opportunity to the members who are not attending the convention to be with them in spirit and on occasion when the International meeting is held at such a time as to make it possible to hear some of the talks by radio, we have had the pleasure of listening to a radio program direct from the seat of the convention.

This year however, the time element will not permit the connection, but in lieu there will be a program which will be interesting as well as entertaining.

Other Clubs invited

As has been our usual custom, we

have invited other nearby Kiwanis Club to meet with us on the occasion and of course bring their ladies too.

## Be sure to bring the ladies

♦ ♦ ♦

Joe Silvers of the United States Post Office gave us a mighty interesting talk on postage stamps and postage stamp collection.

His knowledge, through his many years experience in this department has given him a rare opportunity to make an interesting study and observation of this absorbing hobby.

We are very grateful to Mr. Silvers for his talk and know that Uncle Sam will sell more stamps on account of it, of course for collectors use.

## Gratifying response to a worthy cause.

Several weeks ago, announcement was made regarding the advertisements which were to appear in the Tidings, four each month. The proceeds to go towards the Underprivileged Child fund.

The response to this has been most gratifying and we are already booked up for the month of July.

It would be well for members to read these advertisements, thereby getting better acquainted with the business connection of each member.

Membership in Kiwanis is composed of the leading business and professional men in the various lines of business and it is certainly worth the while and effort to get better acquainted with each other in this

way.

You may be sure that your patronage will be appreciated and you will find the best of service and the best of goods wherever a Kiwanian is.

Send in your advertising copy for August as the list is long and the space is limited, so get busy and advertise.
