

You're invited to witness a remarkable healing experience, which helps transform burn victims into burn survivors.

Camp Beyond the Scars

**Come experience the magic of camp during our off-site adventure on
Friday, August 11!**

**The Wave Waterpark
101 Wave Drive | Vista, CA 92083**

Visitors are welcome between 11:30am-1:30pm and are asked to check in with a Burn Institute representative upon arrival. Lunch will be provided.

Camp Beyond the Scars represents one of the Burn Institute's most successful on-going efforts for burn-injured children. For some, this is the first time they see another child with burn scars. Many of the camp volunteers are off-duty firefighters and adult burn survivors, who are uniquely familiar with the challenges these children face.

**We kindly ask your reservation be made no later than Monday, July 31.
