NOTES FROM THE 6/28 MEETING & OTHER STUFF...

This was our annual meeting at the Treetops restaurant in the zoo. We had a great turnout with over 70 members and guests attending. As usual the attire was a little more casual than our normal meetings as illustrated in this photo.

Although at other tables people were slightly more conservative than Charlie.

Prez Doug tried to maintain some order in this casual atmosphere and for the most part succeeded. At the table directly in front of Doug one person actually seemed to be paying attention.

Chuck Mulroy introduced Alice Reese, the San Diego High School Key Club advisor and this years Key Club Scholarship winner Fern Lim. Fern has been the Key Club Historian.

She is planning to attend Westmont College in Santa Barbara. Fern's scholarship will provide her with \$1000 per year for four years.

Chuck provided a list of the Key Club class of 2005 and the school they will be attending next year. To see the list click here. Both the Valedictorian and the Salutatorian for 2005 are members of the Key Club.
